# Bio Zap™

Ready-to-Use Liquid for Quickly  
Eliminating Organic Odors at  
the Source

InVade™ Bio Zap is an extremely versatile, ready-to-use microbial liquid. It can be sprayed on carpets, walls, and fabrics to eliminate odor from pets, smoke, excrement, and other organic matter. InVade Bio Zap can also be sprayed into garbage receptacles, urinals and other bathroom areas to digest scum and eliminate odor. Organic odor from animals or other sources can be eliminated

Bio Zap™

Works  
Without Harsh  
Chemicals or  
Odors

Eliminates Organic Odors at the Source

**Directions for Use**  
InVade™ Bio Zap™ contains premium, natural, scum-eating, odor eliminating microbes. Citrus oil provides a fresh and pleasant scent. Product may be diluted with 1 to 2 parts water for spraying in an ongoing maintenance program. Spray walls, floors, carpets and fabrics where pet, smoke, dead animal, skunk or excrement odors originate, just to the point of wetness. Always check a small area for color fastness before use. Rinse garbage receptacles with water and then spray product liberally onto surfaces. Spray gravel or soil surfaces in crawl spaces, concrete in basements or garages and other areas where sewage or wildlife have left odors. Spray into cracks, crevices, on floors, in garbage

receptacles, bathroom walls, voids and urinals to eliminate odors. InVade Bio Zap may also be fogged into crawlspaces. Do not apply to direct food contact surfaces. **Precautions:** Keep out of reach of children. If more than an incidental amount is swallowed, seek medical attention immediately. Give one glass of water and do not induce vomiting. Wash hands well after use. If in eyes, remove contacts and flush with water for 15 minutes. Seek medical attention for any persistent irritation. Store in a closed, appropriately labeled container between 35 and 95 °F.

Net Contents: 1 qt, 1 US Gallon
