

InVade™

bio cleaner

Biological Surface Cleaning and Floor Mopping Solution to Eat Away Scum Where Flies Breed

InVade™ Bio Cleaner is a premium blend of microbes, citrus oil and other cleaners for mopping and hard surface cleaning. The product can be sold to your account for them to use in mop water (no other cleaners needed, 4 oz per application) or in power spray systems (2 oz per gallon). Mopping will then get microbes, cleaner
