BorActin™

insecticide powder

The Original
Non-repellent
99% Boric Acid Dust.
Versatility Defined

Product Codes:
BAIP001: 1 lb puffer bottle
BAIP005: 5 lb pail
BAIP025: 25 lb pail
BAIP436: Box of 36, 4 oz mopping packets

Combats a Wide Range of Crawling Insects
Effective against cockroaches, palmettobugs, waterbugs, ants (except carpenter ants), silverfish and darkling beetles.

Long-lasting, Odorless Powder
Will not break down in heat or UV light. Remains active until removed.

Superfine, No Clumping Powder
For Superior “Dustability”
Precision milling in pharmaceutical grade equipment yields a superior product for dusting.

Broad Label: Residential, Commercial, Industrial and Agricultural Applications
Including both food and non-food areas and for darkling beetle control in poultry houses.

Versatile Label: Use as a Liquid Spray, Foam, Mop Solution and as a Drain Treatment for Drain Flies

Use in New Construction Pre-treat Applications for Prevention of Cockroach and Drywood Infestations

Excellent for Void Treatments

Green Zone™ Brand
Mineral-based active ingredient. Suitable for green service programs.
